Attn: PCT Legal OfficeRENEWED PETITION UNDER 37 C.F.R. § 1.181RECEIVED
19 SEP 2000
Legal Staff
International Division

Applicants hereby respectfully request reconsideration of the action dated 5 September 2000 dismissing Applicants' previous Petition under 37 C.F.R. § 1.181 to revive this application.

The application became abandoned as a result of non-receipt of a Notification of Missing Requirements under 35 U.S.C. § 371 (Form PCT/DO/EO/905) which had been mailed on 17 June 1999. A response to this notification was due on 17 July 1999.

The Notification of Missing Requirements qualifies as an "Office Communication" within the meaning of the notice entitled "Withdrawing the Holding of Abandonment which Office Actions are not Received", 1156 OG 53 (16 November 1993). This Office Communication was not received by the undersigned attorney. A search of the file jacket and docket records indicates that the Office Communication was not received.

CERTIFICATE OF MAILING BY FIRST CLASS MAIL

I hereby certify under 37 CFR §1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to the Commissioner for Patents, Washington, D.C. 20231.

Attorney's Docket No.: 08291-600001

Attached hereto is a copy of our firm's docket report for 16, 17 and 18 July 1999. Docket entries are made on the basis of the due dates set in the PTO communication, regardless of the fact that said date may be a weekend date and the response can be timely filed on the next business day. Thus, a response due on Saturday, 17 July 1999, is docketed for 17 July. The internal reference number for this application is "08291-600001". Docket entries are made in ascending order of the reference number. If the notice of missing requirements had been received, it would have been docketed on page 244 of the report. As can be seen, there is no docket entry for this application. Furthermore, the attached printed report lists all of the docket entries for the three days in question.

It is submitted that the foregoing information complies with all of the requirements of the OG notice referred to above and of MPEP Sections 711.03(C)(II) (Rev. 1, Feb. 2000). Therefore, it is urged that this matter be reconsidered and this renewed Petition be granted.

It is noted that an additional petition fee is not required.

Respectfully submitted,

Date: 12 Sept. 00
